

## City Visit to Mansion House

**Monday 8 April 2019**

Our City visit this year is an exclusive visit to The Mansion House which has been the official residence and office of the Lord Mayor of the City of London for over 250 years. In the morning over 30 of us we will have a 1 hour Tour of Mansion House led by John Davies (Keeper of Walbrook Hall) which will give us an insight into the architecture and history of this Grade 1 building and a chance to learn more about the work of The Lord Mayor (10.50am for 11.00am).

We will probably travel by the 9.23 train from Leatherhead and take the Waterloo and City line to Bank Station, which is by Mansion House (buses from Waterloo can take a long time and we need to get to Mansion House by 10.50am). You could buy a travel card. Take a drink with you as we are unlikely to have time for a coffee before the visit, and we cannot get refreshments at Mansion House.

After an independent lunch 20 of us (less than in the morning) will take a Mansion House Arts Tour (1.5 hours), at 13.50 for 14.00, led by a City of London guide. We will look at a remarkable collection of 17<sup>th</sup> century Dutch and Flemish paintings (the Harold Samuel Art Collection), including works by Frank Hals and Nicolaes Maes. You can do both tours or just a morning or just an afternoon tour.

**If either or both tours is oversubscribed a ballot will be drawn after the January AS lecture**
